Haynes Manuals AllAccess

Integrated Online Repair Manuals

Electude and Haynes AllAccess online repair manuals bring e-learning and shop activities together!

Experience the convenience of single sign-on E-learning and linked automotive repair manuals. Give your students easy to use search tools, a vast library of repair videos and service data for hundreds of vehicles all at a great price.

Linking Haynes and Electude means students may perform shop tasks using any device, any time, anywhere. You can go beyond the shop and use live data from repair manuals as a part of classroom presentations and assignments.

Haynes AllAccess provides you and your students:

- Over 600 automobiles covered with new vehicles added every month
- Hundreds of step-by-step videos bring repair procedures to life
- Intuitive navigation and ability to swap between jobs and move around manuals
- Keyword search tool to makes finding exactly what you need fast and easy
- Optimized for use on any device including laptops, tablets or smart phones
- Service information written with beginning level technicians in-mind.
- Color wiring diagrams that can be enlarged for easy viewing

Over 188 million+ cars and trucks can be repaired with a Haynes manual online. Combined with Electude module lessons and digital labs, you and your students will have a dynamic solution for the classroom and the shop.

Haynes and Electude are dedicated to providing great products at great prices. Ask your Electude sales professional about how we make using great instructional and repair content affordable.
